GRADE SCHOOL HANDICAPPED

OVERCROWDING, LACK OF FACILITIES HITS ROGUE RIVER ELEMENTARY SCHOOL

After the Administrator's Conference that Mr. A. B. Mekvold attended at Salem, October 18 and 19, he brought back a vivid picture of the distressing need for more class room space and equipment in the schools of the state. Mr. Rex Putman, State Superintendent of Public Instruction, stressed the dire need of our Oregon schools in this respect and showed the impossibility of meeting these needs because of present legal bonding limitations. Oregon's total population has increased 49.3 percent since 1940.

In our own school it has been stated by Mr. Mekvold that the grade school has grown to an enrollment of 280 students. The second grade now has an enrollment of 40 students which will probably necessitate another teacher this year. Other classes are also becoming uncomfortably large and additional classroom space will probably be needed before the end of the year.

Mr. J. L. Turnbull, school building consultant for the State Department of Education, was asked here to study the local schools. Turnbull arrived Tuesday and discus-

sed with the school heads information concerning future needs of the school.

Preliminary work on the 1949-50 school budget will begin December 2 at the next regular meeting of the school board when each member invites one layman to attend the discussion and to form the budget committee.

Conference Attended

The regular annual Teachers' Conference was held in Ashland, Oregon, November 4 and 5.

This conference has been held each year for the benefit of the teachers of Oregon who wish to acquire further knowledge of educational importance.

Carol Howe, Superintendent of Schools of Klamath Co., presided at the general session which began the the days of lectures, meetings, and group discussions.

All the teachers of Rogue River attended the conference part time. Mr.

STUDENTS TRY SELF GOV.

On October 26, the Rogue River High School students were given sole control of the assembly during the first period of the day. No teachers were present. This was an actuality in the effort to turn over to the students of Rogue River High School more control in their own government.

Several other steps have been taken in order to give the student body more self-government.

During the past three years the High School Principal Association has sponsored state conventions of student officers. Four representatives from various schools in Oregon attended the national conference at Washington D. C. last summer. Two of those boys brought back a report of the Student Council Conference which Mr. Alf B. Mekvold, Rogue River High School Superintendent, attended in October.

Rogue River High School sent its two student body officers to the state meeting at Salem last year. The student council, under the direction of Mrs. Margaret Stockman, is now working to revise the school constitution about the student council.

NOTICE

The next issue of the Rogue Record will be a special Thanksgiving edition published Nov. 24.

ARE YOU THE ONE ?

Are you the one that is making it impossible to take a bus to the game?

As you all know school authorities are giving us one more chance to attend out-of-town games with furnished transportation. If we conduct ourselves according to the standards of high school students, we can continue to receive the consideration given to us by the school board.

We all like to go to the games, but it isn't very much fun if one has to listen to objectional language all the way there and back.

All of us enjoy going and cheering our boys on to victory, so let's keep our opportunity for group attendance. J. S.

FREEDOM AT A PRICE

Rogue River High School students have lost a privilege, that of free transportation in school buses to out-of-town athletic events. This loss was caused by a minority group who have failed to accept and to maintain the high standards of the student body.

Pressure exerted by the student body in a successful effort to induce the members of this unpopular minority group to comply with the accepted standards of conduct, or rather, voluntary action on the part of each student will result in an extension of the free transportation privilege.

Democracy demands group responsibility. Privileges for an individual and for groups are based primarily on the maturity and emotional stability of the person or persons concerned. (Cont. next column)

SCHOLAR SHIP

A four year scholarship in college with all books, tuition, and normal fees paid plus $600 per year may be earned by any qualified senior at Rogue River High School. This scholarship can be obtained through competitive examinations given on December 11, 1948.

The value of this scholarship is estimated to be between $5000 and $6000 and secures the winners an appointment as Midshipman, USNR, in the Naval ROTC. These Naval ROTC units are located at fifty-two leading colleges and universities where the Midshipmen major in any course they choose leading to a degree. Upon graduation these students are commissioned as Ensign in the Navy or Second Lieutenant in the Marine Corps. After two years of service they have the opportunity of remaining in the service for a carcer or they may return to civilian life with a commission in the Naval or Marine Corps Reserve.

Oregon State, Washington, California, Stanford, UCLA, and USC are the Pacific Coast schools included in the fifty-two throughout the United States having Naval RPTC units. Success-

LIBRARIAN CONF. HELD

Miss Laura M. Grubbs, Rogue River School Librarian, attended the Librarian Workshop at the Oregon State Library, Salem, Oregon, October 25 and 26. The conference was directed by Miss Agnes Shields, school library specialist, and assistant librarian.

The model school library, which was the general consultation room, was popular with all teacher-librarians.

The discussion topics in general sessions and round table groups covered the following: "Correlating the library with the curriculum," "Library Techniques," "Materials," and "Administrative Problems."

ful candidates compete for the school of their own choosing. Candidates must be not less than 17 or more than 21 years of age on July 1, 1949 for college entry to the Naval Academy and students must agree to remain unmarried until graduation. Information is obtainable at the Principal's office. The application must be received by the College Entrance Examination Board at Princeton, N. J. prior to November 15, 1948.

G.A.A. GETS NEW MEMBERS

Thirteen Initiated

G.A.A. initiation took place November 2 for the following girls: Joan Ford, Marilyn Williamson, Nancy Hoover, Marilyn Geier, Gwynne Nichols, Jo Anne McGregory, Juanita Skevington, Joan Klith, Marilyn Holloway, LueEze Tracer, Faye Kjellstrand, Betty Simmons, V. Bryant.

The girls were forced to wear strange garbs and carry all day suckers.

In the evening the G.A.A. members gave a formal ceremony for the neophite. Following the installations the girls had refreshments and played volley ball for the remainder of the evening.

ARMISTICE CELEBRATED

Armistice Day is actually the celebrated day that ended the fighting in World War 1, November 11, 1918. On this day German representatives signed a truce between the Allies and Germany. The signing took place in a railroad dining car in the Forest of Compiegne, France. On each Nov. 11, most of the Allied countries commemorate this event.

The celebration in the United States is centered at the tomb of the Unknown Soldier in Arlington National Cemetery. In many places throughout the world, a period of silence is observed at 11 o'clock in the morning, the hour at which the fighting stopped. The Congress of the United States made Armistice Day a legal holiday in 1938.

Poor Attendance Financial Loss To The School

Mr. Alf. Mekvold checking the Rogue River High Schools, attendance record through November 10 found some startling results. 25 students out of 135 had missed 5 days or more. These 25 students account for 172½ days of absence or 54 percent of the total absences incurred. 110 students or 81 percent are responsible for only 149 days or 46 percent of the absences.

In a statement from Mr. Mekvold he said, "We recognize that in a good many cases the absences were unavoidable because of illness, doctor and dentist appointments, or, possibly, necessary work. The

(cont. next col.)

average daily attendance for the month of September was 97.4. In October it dropped to 91.6. This was a loss of 5.8. The necessary transportation money, tuition, and other apportionments from the county and state are based on attendance. We are already having a hard time making the expenditures necessary for school maintenance comply with the school budget. Extended absences show a correlation with poor school work. The student needs to be in school in order to get what he is entitled to receive."

1949-50 OFFICERS TO ATTEND MEETING

Next spring we are planning to send our newly elected officers for 1949-50 to the state meeting to be held at Bend.

The purpose of the student council is to give the student a chance to develop citizenship and responsibilities while in school in such a manner that they can take a more active part in planning and directing their school program and its operation. In other words the intention is to make the young people see that it is their job to direct and control their personal affairs.

CONFERENCE

(cont. from page 1)

Alf Mekvold and Mrs. Virginia Westerfield spent Friday, November 5, attending a music conference in Salem and Miss Laura Grubbs attended the Forensic Institute in Portland. Mrs. Altha Le Roy attended a press conference in Eugene the latter part of Thursday and the full day of Friday.

OHSPC IS HUGE SUCCESS

The 22nd Annual Oregon High School Press Conference was held on November 5 and 6 in Eugene. The 1948 conference was the largest one of its kind to be held in Oregon. The delegates came from all parts of Oregon and totaled more than 247. This was 105 over last year. The advisers present numbered 40.

The delegates from Rogue River High were Mrs. Altha LeRoy, adviser, Velma Bryant, editor, and Donna Taylor, business manager. These delegates flew by West Coast Airlines to Eugene and returned by bus. They came back with many helpful suggestions for the betterment of the high school paper and have tried to use many of these suggestions in this issue.

ASSEMBLY X HELD HERE

A National Assembly Program featuring "Mysterious Brown" was given in the Rogue River Auditorium, November 3, for the High School and Grade School students. He intertained the Student body with a magician act, Ventriloquism, and art skills.

The younger students were thrilled at the performance of the red headed dummy.

REMEMBER NOVEMBER

The month of November will be well remembered by the students of Rogue River High. Five days of vacation falls within this calendar month, starting with the teachers convention on the 4 and 5, Armistis Day on the 11th, and Thanksgiving on the 25 and 26.

NOSY NEWS

We hear that D. N. had quite a time on the bus Saturday night. By the way, the buses won't be taken to the next game. We saw G. N. wearing M. G.'s clothes 7th period Wednesday. How come, Gwynne? A certain senior girl seems to think an awful lot of E. F. Isn't that right? Say, Dorothy, I bet it is pretty handy to have a boy friend right across the street. F. K. seemed very disappointed because J. B. could not keep his date Saturday night. It took Mrs. LeRoy quite a while to decide there was a new faucet in the gym. During one of the tensest moments of a murder picture at the Paramount Theatre in New York, an elderly gentleman began groping for something on the floor, greatly disturbing a lady in the next seat. "What have you lost?" she inquired testily.

"A caramel," said the man.

"You're going to all this bother for a measly caramel?" she asked.

"Yes," was the reply. "My teeth are in it."

TRUE SCOTCH

The little Scotch couple shared a seat on the train from Edinburgh to London. At every way station the man would hop out of the train and buy two tickets for the next station. The conductor finally got tired of punching the fares. "Where are you two bound for?" he inquired grimly.

"London," said the Scotsman.

"Then why don't you buy two through tickets and save me all this bother?" asked the conductor.

"Ah," said the Scotsman, "the doctor tells me my wife has a very weak heart and it is likely to give out any minute."

FRIENDSHIP DOES COUNT

Two taciturn Maine farmers had known each other all their lives, but their conversations were usually restricted to "Mornin'" or "Nice day." One afternoon, however, the first farmer grew a bit more loquacious. "Hi Luke," he asked, "what did you give your horse when he had the colic?"

"Turpentine,"said Luke.

"Thanks," said his friend.

Two weeks later they met again. "Didn't you tell me, Luke, that you gave your horse turpentine when he had the colic?"

"Yup,": said Luke.

"Well, I gave mine turpentine and he died."

"So did mine," said Luke. "Good day."

A barber arrived at the shop very late,so his boss asked for an explanation. "I was shaving myself," said the barber, and before I realized it, I talked myself into a haircut."

Mrs. Stockman is attending the Oregon State College Conference in order to see if it will be possible for us to have more educational pictures.

The couple will make their home in Grants Pass.

Congratulations and best wishes to you both.

Grads Set Date

Miss Jean Nightingale, daughter of Mr. and Mrs. H. E. Nightingale of Grants Pass, announces her engagement and coming marriage to Douglas K. Bennett. Both are graduates of Rogue River. The couple set the date for November 28 at 2:00 p.m.

The ceremony will take place in the Presbyterian Church in Rogue River, Oregon.

Miss Nightingale will be attended by Miss Gwynne Nichols, Mrs. Donna Mills, the former Donna Wentling, and Miss Marilyn Geier, maid of honor.

Congratulations to you both and the best of luck!!

FORMER EDITOR ENCOURAGES STAFF

The following excerpts from a letter written to the journalism staff adviser brings news of last years' editor of the Rogue Record, Clarence Zaitz.

Mrs. LeRoy:

Received the second issue of the Rogue Record this morning and want to thank you sincerely for putting me on your mailing list. I'm telling you, it is just like getting a half dozen letters at one time telling me what is going on and what has already transpired at Rogue River.

I am now working for a weekly foreign language paper on the West side, right near where I'm staying. I am working as assistant business manager and assistant editor. We publish one page of English material in each issue which comes under my jurisdiction. I am getting wonderful experience in writing, and also in headline writing and page make-up.

From the papers I've received, I noticed that you got a pretty good staff, and that

(cont. next column)

(cont. from column 2). they all work together. That is evidenced by the fact that you are putting out a larger paper.

I THINK THAT THE STAFF IS GETTING OUT A VERY GOOD PAPER, AND IF THEY CONTINUE THAT WAY I DON'T SEE ANY REASON WHY THE PAPER WON'T AGAIN BE AWARDED A FIRST PLACE MERIT IN THE ANNUAL CONTEST.

Well, once again I want to thank you very much for sending me the paper, and I want you to know that it is very much appreciated.

CLARENCE ZAITZ.

EIGHTH GRADE

Two new students have enrolled in our class. They are Rita King and Harold Ricks.

Greta Hennicke was absent from school the latter part of last week because of "flu."

In civics and history the class has been studying about the beginning of our United States Government. We find it very interesting.

SEVENTH GRADE

Our class has a new student whose name is Dalyn Ricks.

Gloria Evans has been absent from school on account of inflamation of the ears. The class sent her a get well card.

The students on the Honor Roll this week are: Shirley Don, Gretchen Klomhaus, Betty Miller, Laura-lee Morris, Davis Williams, and Paul Wilson.

FIFTH GRADE

Dennis Johnson's mother and brother were injured in an automobile accident near Murphy on November 1.

The students having 2 or better grades this six weeks, are Irene Bringmann and Linda Reddington.

SECOND GRADE

The students in our class held a birthday party for Judith Lapham here at school.

JR. HIGH BASKETBALL PRACTICE BEGINS

The Grade School Jr. High Basketball team will start practicing for inter-school games.

Arrangements are being made so that a few games will be played before Christmas.

The team has lost three of its players to the high school this year.

TUMBLING & DANCING STARTS

The Rogue River Grade School Girls are taking tumbling and will soon be starting Folk dancing. This is being done under the direction of Mrs. Black, 7th grade teacher. Mrs. Black has had much training in tumbling.

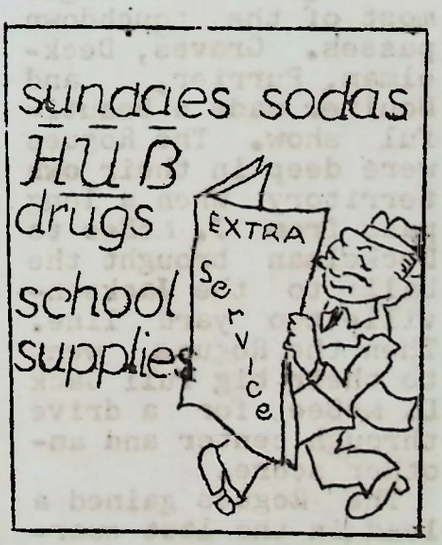
Roguettes Victors Beat Gold Hill

BY IRIS COCHANOUR

The Rogue River High School girl's Volleyball team stood up to another victory in the first game of the year over Gold Hill. The Roguettes won the first string game, 40-11; the first string line up was as follows: Gwynne Nichols, captain, Mary Shock, Jeannine Sauer, Betty Simmons, Lue Eze Tracer, Iris Cochanour, Joan Ford, and Dorothy Wilson. The second string line up included: Shirley Howell, captain, Gladys Bennett, Helen Jensen, Juanita Skevington, Monica West, Marilyn Geier, and Ruby Twiest, also Pat Kile.

Substitutes were Nancy Hoover, Friedel Hennicke, Marilyn Williamson, Shirley Davis, and Edna Stewart.

Plans for games with Central Point, Kerby and a return game with Gold Hill is under way.



CRUCIAL TIE MET

J-VILLE DEFEATED

The Rogues met an undefeated team in their Saturday's grid schedule, which ended in a close and hard fought victory for the Rogue six.

Jacksonville, one of the only two undefeated teams left in the county, was out-classed by the Rogue River squad.

The half ended in which looked to be a bad beating for the local six. The Jacksonville team ran through the Rogues defence at will, and the half ended with the Rogue six trailing by six points, 20-26.

COMEBACK STAGED

The Rogues came back the final half with a passing attack that was unstoppable by the Jacksonville team. The credit can go to no one player on this glamorous come back. The Rogues line caught most of the touchdown passes. Graves, Deckelman, Purrier, and Boulter made a beautiful show. The Rogues were deep in their own territory when a long pass from J. McBee to Deckelman brought the ball to the Jacksonville two yard line. Then the Rogues went to their big full back L. McBee for a drive through center and another score.

The Rogues gained a lead in the last quarter of 13 points 33 to 46, the Rogues kicked to Jacksonville once more and in two plays the foe rallied for another score. The Rogues still in danger with the score 39-46, and a long 1 minute and 29 seconds to play. The Rogues stalled on the ground but failed to run out the time. The defeated team of Jacksonville was held for the last three smashing downs and as the final second closed the Rogues lead 39-46.

(cont. next column)

UNDER-DOGS TURN VICTORS

On Saturday, October 23, the Rogues met the strong and stubborn team of St. Marys which ended in a 20 to 18 win for the Rogue River under-dogs. The Crusaders won the toss; the Rogues formed their kicking defense; the kick left the St. Mary's six deep in their own territory. The Rogues held the foe for four pounding drives and then the Rogues took a try at the ball which ended in a injury and a score.

The first play Jack Burk was tackled hard and resorted in a hurt leg that put him out of play the entire game. Larry McBee beat his way through the St. Mary's defense for six points. The try for extra points was failed and it left the score 6 to 0. The Crusaders came marching back and the half ended with the underdog tailing by a score of 12 to 8.

The Rogues matched the Crusaders touch down for touch down. The two winning points were made when the pass intended for Deckelman was intercepted behind the Rogue's goal and the Crusader was dropped by Deckelman for the winning points.

The Rogues suffered a heavy loss when their Captain, Jack Burk, was benched from a hurt leg. Jack will probably be out of the line-up for the next game that is staged with the undefeated Jacksonville team.

BEAVERS TAKE BOW

The Rogues staged their last '48 football game Wednesday 3, when they met the small but hard playing team of Gold Hill. The game, which was close, ended in a 14-21 win for the Rogue River ball club.

Although the Beaver's did not play a too glamorous season, they still gave some hard fought victories to their opponents, including the Rogues. At the half the score ran 7 all, and it wasn't until the second half that the Rogues gained their lead. This game left the Rogues with second place in Jackson County.

The only loss of the season was with Talent 33-30 and the remaining games the Rogues showed a well organized team. Butte Falls was downed 85-0 and then down went Prospect 24-6. With blight lights and all, the Rogues skimmed by St. Marys 18-20. The surprise of the season was their winning over the undefeated Jacksonville tribe with the score 46-39. Last but not least Gold Hill fell hard but not too loud, 21-14.

Season Ends

It is out with football, in with basketball as 45 Rogue River boys sign the turn out list.

The squad will have 8 lettermen from last years ball team. It is not yet known how the Rogues will stand in their '48 season. The team should have plenty of height and the Rogue River "DRIVE".

Although the schedule has not been decided the team may have a game some time soon with the Medford high team.
